Chapter!**

Our students compete on a
international level –
and win!

**Get to know our
District**

- A student/staff ratio of 11:1
- \$12,838 per student spending
- 45% of our staff has Master Degrees or equivalent in their fields
- 60% of our teachers have been with Winter School District for 10 years or longer
- Committed to keeping the SAGE program-keeping classes small and instruction individualized
- Strong ties to the surrounding communities through:
 - PTO
 - Athletic Booster Club
 - Continuing Education Classes
 - Sponsored family and community gatherings
 - Music Booster Club
 - 45 scholarships totaling over \$35,000 awarded to graduating seniors each year
- 2006 taxes on a home with an equalized value of \$100,000 is \$887.00
- Student performance improves yearly. When compared to similar districts, our students perform comparably.

WELCOME TO THE
**WINTER
SCHOOL
DISTRICT**

Home of the Warriors!

Unified for
Excellence!
Preparing for the future
through:

- Academic Excellence
- Social Awareness
- Career Readiness

You Can Get There From Here!

Instruction at Winter emphasizes:

- Strong developmentally-appropriate curriculum taught by caring, talented teachers
- Creative, interrelated curriculum enhancement activities
- Nurturing, caring, and **SAFE**

Wisconsin School of Excellence for 5 years!

WKCE Test Scores have met or exceeded WI DPI goals!

Enhanced K-12 Art Instruction

Comprehensive Science Program

OUR FACILITY IS THE BEST AROUND!

- Professionally designed Kindergarten room
- Up to Date Middle School Science Lab
- State of the Art Library Media Center, including both PC and Apple Computers

Winter School has been chosen, along with five other small rural schools, by the WI DPI to institute a charter school that will expand educational opportunities for your student. This opportunity will give us the ability to tailor your child's education to suit *their* needs.

Advanced CAD, Computer Graphics and Video Production Programs

School District of Winter Mission Statement:

To empower a community of lifelong learners to reach their highest

potential by providing a safe, healthy, interactive learning environment which emphasizes the importance of academic excellence, global awareness, social responsibility, cultural diversity, creativity and curiosity with honor, pride and respect.
